

ASTERA FINE JEWELLERY

The Collection

VOLUME ONE · 2026

Where every diamond
tells a story.

HANDCRAFTED IN MUMBAI · CRAFTED SINCE 2001

OUR STORY

A father's craft.
A son's vision.
A diamond's story.

For 25 years, our atelier in Mumbai has crafted diamond jewellery one piece at a time — quietly, and for those who knew where to find us.

Today, as Astera, we open those doors to the world — bringing the same artistry to those who believe every diamond should carry meaning.

We work with both natural diamonds and lab-grown diamonds. Same brilliance.
Same fire. Same uncompromising standard.
